Made by Korflame

Korflame is the fireplace and outdoor-living brand of Nun Metal San. ve Tic. Ltd. Şti., a manufacturer focused on production and export, with more than ten years in the trade. We design and build bioethanol, electric, wood-burning and gas fireplaces, and the Pure range of modular outdoor kitchens. Steel work is done in-house: CNC laser cutting and bending, welding, stainless steel fabrication and electrostatic powder coating, which is how we take on custom sizes, project orders and private-label production.

Distributors & retailers
